National Cooperative Union of India being an apex organization of the cooperative movement publishes two journals "**The Cooperator**" and "**Indian Cooperative Review**". If you are interested to know the growth of the cooperative movement in India, you can't miss these two journals.

"The Cooperator"

- A monthly magazine containing articles/news and views/features/success stories/editorial on current issues confronting the cooperative movement in India.
- The magazine due its topicality and rich quality content has a brand value in the cooperative sector.

"Indian Cooperative Review"

- A quarterly research journal containing case studies with emphasis on empirical research covering all sectors of the cooperative movement in India.
- Considering research, a neglected area in cooperatives, the journal enriches the research plank of cooperatives.
