National Cooperative Union of India (NCUI), organised a One-Day Workshop on Artificial Intelligence (AI) on 27 October 2026 at NCCE, New Delhi, to familiarise participants with emerging AI technologies and their practical applications in the workplace and cooperative sector.

The programme was inaugurated by Smt. Sandhya Kapoor, Director, NCUI, who welcomed the participants and highlighted the growing importance of Artificial Intelligence in everyday life and professional work. She emphasised the need to understand and adopt emerging technologies to improve efficiency, productivity and the overall functioning of organisations.

A total of 28 participants from various organisations, including IFFCO, KRIBHCO, NBCFDC, Delhi Thrift and Credit Society, and NCUI, participated in the workshop.
